

WNCFF Australian Exchange

I have great news about our exchange with three Friendship Force clubs in Australia. In planning this exciting adventure it was also important to include time to shrug off the time difference and get our “down under” experience underway. The result is a pre-trip to the city of Sydney where you can relax and tour and then continue to travel to the city of Perth, for our first exchange.

The number of days for the exchange portion, including flights to and from the US and those in Australia total 23 and with the stop-over in Sydney the total is 26 days.

I have attached more details regarding the trip as well as the application for applying to be an Ambassador. I would like you to fill out the application and return it to me by November 16 or mail it to me. It is important that we have time for me to further explain details of the exchange and to answer questions you may have. Due to the impending holidays, I thought it best that we meet as soon as possible. I know that we have a FF meeting on November 16, however I would like to provide time that is not rushed, so I am proposing that we meet on Thursday, November 20 at 7:00 at my home.

I know that I am sending you a lot of information, however, every bit of it applies to the exchange. Please, take the time to review everything.

Yours in Friendship,
Joan Manfre
