

Finding Exchanges on the FFI Website

Go to <http://www.thefriendshipforce.org/>

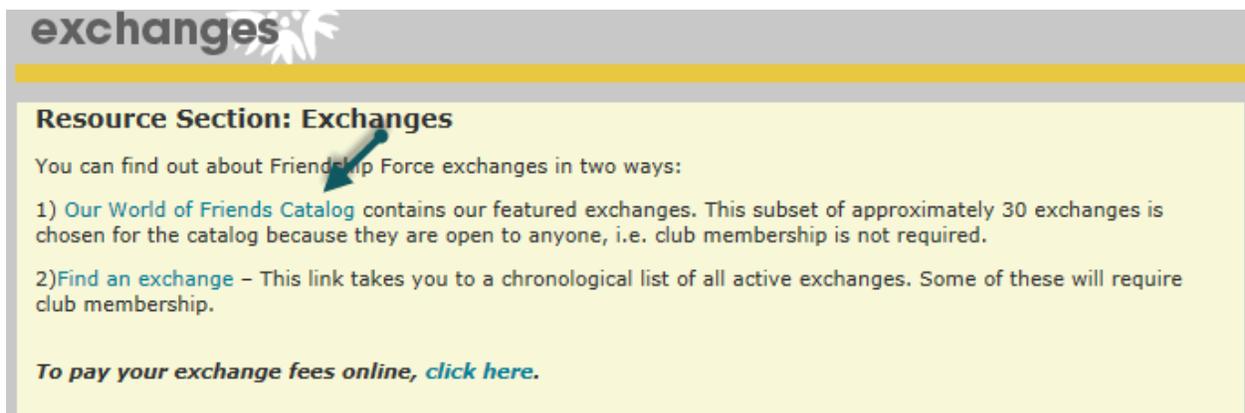

The Main page will display, click on the member resources tab.

On this page, click on the Exchanges sub tab.

On this page, click on 'Our World of Friends Catalog' to see all the exchanges that you may apply for.

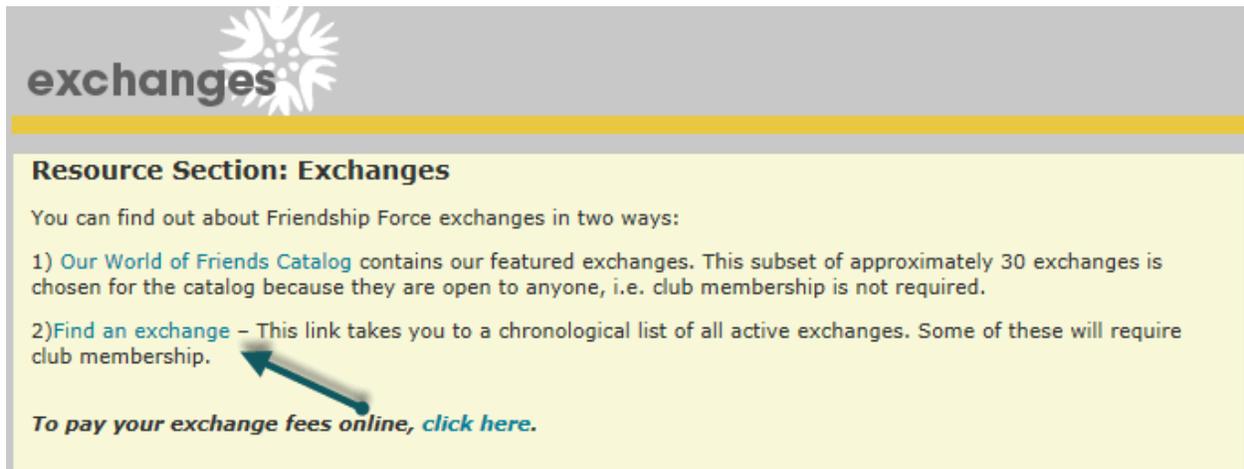

You can scroll down through the list and click on an exchange to display the details.

The screenshot shows two exchange listings. The first listing is for 'New Year's Eve in Reykjavik, Iceland with Road Scholar', featuring a small image of fireworks. The dates are 'December 28, 2015 to January 2, 2016' and the location is 'Reykjavik, Iceland'. The second listing is for 'Explore Myanmar', featuring a small image of a golden Buddha statue. The dates are 'February 13 to 25, 2016' and the location is 'Yangon, Inle Lake, Bagan, and Mandalay, Myanmar'.

You can also find exchanges by country, state or club. These exchanges may be open to FF members outside the ambassador club. For example, to see exchanges for Iowa clubs, select 'Find an exchange' on this page.

The screenshot shows the 'exchanges' resource section. It has a header with the word 'exchanges' and a starburst icon. Below the header, it says 'Resource Section: Exchanges'. The text reads: 'You can find out about Friendship Force exchanges in two ways: 1) Our World of Friends Catalog contains our featured exchanges. This subset of approximately 30 exchanges is chosen for the catalog because they are open to anyone, i.e. club membership is not required. 2) Find an exchange - This link takes you to a chronological list of all active exchanges. Some of these will require club membership.' A blue arrow points to the 'Find an exchange' link. At the bottom, it says 'To pay your exchange fees online, click here.'

This page displays, which lets you select by club or location.
