## IRIS FUND RAISER

**Colleen Nieman** has coordinated hosting 4 people from Tbilisi, Georgia ( near the Black Sea in Europe). IRIS will donate \$800 to our club for this effort. If we can find employment and hosting opportunities for existing business owners and managers of former communist countries. They will donate \$300 per person. This is not limited to Cedar Rapids and is open to all. The usual stay is 1 month. Another group from the Ukraine is Scheduled Mid-May to Mid June. We need 2 or 3 host families for the Ukrainians.

Part of this money could be used as scholarships by the host families toward future FF travels. Come to the quarterly meeting as we need you input as how to use it.
